

NEWS SUMMARY.

City Affairs. A meeting of colored citizens of the Twelfth ward was held last evening at the public house Girard avenue and Alder street.

Reporters were received from the committee on arrangements, showing that it had been decided to wear black suits, with blue glazed caps having the number of the ward on the front, encircled by a wreath.

A meeting of the colored citizens of the Thirteenth ward was held at the hall corner Franklin and Chalmers streets.

Isiah White acted as chairman, Samuel Crawford Secretary, and Henry Johnson Treasurer. Manuel Johnson was appointed Chief Marshal.

A young woman was discovered about 7 o'clock last evening by Officer Dunn, at Thirteenth and Darby road, acting in a very strange manner.

She was taken in charge and conveyed to the station house, when it was discovered she had taken oxalic acid, a bottle containing the same having been found upon her.

Medical aid was then rendered, after which she was removed to the Almshouse. A letter was found on her, saying that she was tired of life, and requesting that her body should be given to the doctors.

A spirited race took place yesterday afternoon at Suffolk Park, between the brown gelding Slippery and the sorrel mare Nellie. The two were matched for a purse of \$500, mile heats; best three in five to wagons.

Nellie won the race in three straight heats. In the Court of Common Pleas room last evening the "Philadelphia Temperance Reform" held a public meeting, under the auspices of Philadelphia Division, No. 1, Sons of Temperance.

Addresses were made by Rev. Dr. Cook, Rev. Thomas Finley, William J. Mullen and others. Meetings will be held every Friday evening at the same place.

A public meeting was also held in Dr. Shepard's church, Buttonwood, between Fifth and Sixth streets. Several addresses were made.

Domestic Affairs. Gold closed yesterday at 113. Ex-Governor King died at St. Louis yesterday.

The House is still engaged on the Tariff question. The new Minister from Hayti presented his credentials to the President yesterday.

The Darien Canal treaty has been rejected by the Colombian Congress. Four men were arrested at Montreal on the arrival of the American train on Monday evening on suspicion of Fenianism.

The Postmaster-General made a number of postal changes in Pennsylvania yesterday. The Ways and Means Committee had a session yesterday, when the Funding bill was considered, without any result being arrived at, however.

A couple of witnesses were before the Senate Judiciary Committee yesterday, in regard to the alleged attempts to bribe Senators. Nothing was proved.

A bill was passed in the Senate yesterday prescribing an oath of office to be taken by ex-Confederates not disqualified by the fourteenth amendment.

The war steamer Michigan, lying at Erie, Pa., is being put in readiness for actual service. It is thought that this has something to do with the Fenian movement on Canada.

Foreign Affairs. Bismark is better. There is a ministerial crisis in Wallachia. A ballot agitation has commenced in Bavaria.

Russia has signed the Burlingame treaty, and agreed to a fair settlement of the frontier question. The refusal of our Supreme Court to reopen the legal-tender cases is applauded by the London Post.

Queen Victoria and Princess Alexandra had a narrow escape from death yesterday while driving. The plebiscite decree, and an Imperial letter explaining the proposed changes, will appear to-morrow.

Darn denies, through his organ, that he and Buffet resigned because of a letter from the Duke d'Annam.
